

SCI Gateway / Windows 11 Compatibility

15th December 2021

It has come to our attention that some sites have upgraded their PCs to Windows 11.

At present, NSS has not tested SCI Gateway using Windows 11 and as such advise that users **DO NOT** upgrade their PCs to Windows 11 at this time.

Please share this communication with any relevant team within your Health Board.

This communication will also be posted as a "News Item" within SCI Gateway.
